Policy:

Authority

The King County Regional Homelessness Authority (“KCRHA” or “the Authority”) was established on December 19, 2019 under the provisions of Washington's Interlocal Cooperation Act, Section 39.34 of the Revised Code of Washington (RCW), through an Inter-Local Agreement (ILA) between King County, Washington and the City of Seattle. The Authority is a public entity separate and apart from the parties to the Agreement, capable of exercising independent powers. The mission of the Authority is to significantly decrease the incidence of homelessness throughout King County, using equity and social justice principles. The Authority will provide consolidated, aligned services for individuals and families who are experiencing homelessness or who are at imminent risk of experiencing homelessness in King County, will coordinate existing services for people experiencing homelessness, and will design, fund and operate other homelessness and related social services using equity and social justice principles to assist those in the community who are eligible for those services. The KCRHA is administered by the Governing Committee (GC) and managed by the Implementation Board (IB).

Purpose

The officers and employees of the Authority shall conduct themselves with the highest standards of ethical conduct and integrity when conducting the Authority’s business.

  - chapter 42.56 RCW (the “Washington Public Records Act”).
- Individuals shall recuse and refrain from voting upon or any manner of participation as needed to avoid any actual or potential conflict of interest.
GC and IB Members, members of the Advisory Committee or other committee and employees of the Authority shall each submit an annual disclosure statement that requires the disclosure of any ownership or property or employment/affiliation with any party contracting with the Authority or providing services with the Authority.
