Team Updates

Hired our Seattle and East King County Planners!

Welcome to Sparrow Etter-Carlson and Mallory Van Abbema!

Role of Sub-Regional Planning Team

Development of sub-regional implementation plans for each of the 7 identified sub-regions

- Six key components

Supporting ongoing engagement, consultation, and communications

- Programs Division
- Community Impact Division

Special projects

- Supporting regional infrastructure development
- Severe weather shelter

What are we up to right now?

- Supporting “Understanding Unsheltered Homelessness” effort
- Setting up standing monthly meetings with providers
- Staffing/supporting regional tables
- Severe weather protocols
- Finalizing draft sub-regional landscapes
- Continued engagement

Engagement

- Connected with over 400 folks across the region!
- Currently participating in the Unincorporated King County Town Halls being hosted by Dept. of Local Services
- Working with new Senior Director of Health Initiatives to strengthen relationships with healthcare systems
- Will be partnering with incoming Youth and Young Adult policy coordinator to build out connections to school districts and McKinney-Vento contacts

Thank You!
