

## 2022 Notice of Funding Availability (NOFA)

### Overview

The King County Regional Homelessness Authority (RHA) is pleased to announce a Notice of Funding Availability (NOFA) for **Emergency Housing Voucher (EHV) Housing Search and Tenancy Support Services**. Up to \$2,183,000 in City of Seattle Corporate Payroll Tax (JumpStart) funds will be contracted through an upcoming Request For Proposals (RFP).

Guided by RHA's [Theory of Change](#), the EHV Housing Search and Tenancy Support Services RFP is intended to extend the Seattle/King County continuum of comprehensive, person-centered housing solutions. The RHA expects to award funds for organizations that will:

- Ensure that households identified for EHV and referred through the EHV program have capable, thorough and timely assistance with the application process to successfully receive an EHV.
- Provide housing search assistance for households that receive an EHV such that they are able to promptly and successfully lease a unit in the community of their choice.
- Promote housing stability assistance for households who lease with an EHV to ensure a durable and stable tenancy.

Successful proposals for the RFP will have an executed Agreement with the RHA for referrals into the EHV program, and can demonstrate the ability to make effective use of their community connections and organizational capacity to support households throughout the EHV application and housing search process, and to provide support services to maintain long-term tenancy. Organizations with an EHV Agreement that do not currently hold contracts with the RHA, or that may need organizational support to maintain contractual obligations, may expect to receive technical assistance.
