King County Regional Homelessness Authority Request for Proposals (RFP)

Award Announcement

2022 RV Safe Lot RFP

RFP Issued: April 4, 2022

RFP Approved: June 6, 2022

Summary of RFP Goals

Guided by RHA's [Theory of Change](#), the RV Safe Lot RFP is intended to extend Seattle's continuum of comprehensive, person-centered shelter solutions by investing in agencies that serve people experiencing homelessness who reside in RVs and other large vehicles. The RHA awarded funds to projects that will ensure people living in recreational or oversized vehicles have safe accessible places to park overnight; provide safe alternatives to street-based vehicular encampments for people that connect vehicle dwellers to effective exits to permanent housing; and promote system transformation that helps households and individuals living in RV's and oversized vehicles obtain permanent housing and avoid further homelessness.

Funding Opportunity	Applicant Name	Contract Terms	Total Award Amount
RV Safe Lot	Low Income Housing Institute	Jun 2022 - Dec 2022	\$1,900,000
