KCRHA - System Performance Committee Application Questionnaire

About the System Performance Committee: This committee is tasked with oversight and administration of the Homeless Management Information System (HMIS) ensuring it is functional and meets local needs for data collection and reporting. This committee also plays a pivotal role in informing KCRHA on accurate measurement and finally, is tasked with communication of the overall CoC system performance to the community.

Theory of Change: If we create a homelessness response system that centers the voices of people with lived experience of homelessness, then we will be able to focus on responding to needs and eliminating inequities, in order to end homelessness.

Instructions: We are seeking applicants who are committed to applying the above theory of change to end homelessness and encourage people with all levels of skill and/or experience to apply. Applications are reviewed on a rolling basis, and approval is granted by the CoC Advisory Board. Please answer the following questions to be considered for a seat on the committee. **(Stipend for participation may be available)**

Committee requirements include 4-6 hours per month to attend the committee meeting, in addition to reviewing and responding to materials, and ad hoc committee work as needed.
Are you able to commit to this?   Yes   No
