2023 Notice of Funding Availability (NOFA) Geographic-Based Outreach Services RFP January 23, 2023

I. Overview

The King County Regional Homelessness Authority (KCRHA) is pleased to announce a Notice of Funding Availability (NOFA) for **Geographic-Based Outreach Services**. As a result, KCRHA seeks to collaborate with organizations that address the needs of people who live unsheltered. KCRHA invites service providers to partner in developing an outreach system that is customer-centric and focused on moving individuals and families into housing. Up to \$3.9 million dollars in new and existing City of Seattle funds will be contracted through an upcoming Request For Proposals (RFP).*

In accordance with KCRHA’s [Theory of Change](#), the **Geographic-Based Outreach Services** RFP is intended to streamline services and extend the Seattle/King County continuum of comprehensive, person-centered housing solutions. The KCRHA expects to award funds for organizations that will:

- Engage with residents living within encampments;
- Practice harm reduction strategies;
- Provide comprehensive outreach services that are customer-centered and focused on moving individuals and families directly into housing;
- Ensure a systems approach to outreach coordination and geographic coverage of all regions across the City of Seattle; and
- Meet data and reporting requirements within the Homeless Management Information System (HMIS).

Successful proposals for the RFP will have an executed Master Service Agreement with KCRHA, and can demonstrate the ability to provide comprehensive outreach services.
