Federal Reporting Roles

Bitfocus Community Admin

- Compile Data for Review
- Provide Expertise and Recommendations
- Agency Outreach and/or Data corrections

CoC Lead

- Designate “Submitter” for each report
- Summary Data Review
- Submit OR approve for submission
- HIC/PIT Non-HMIS Participating Program Outreach

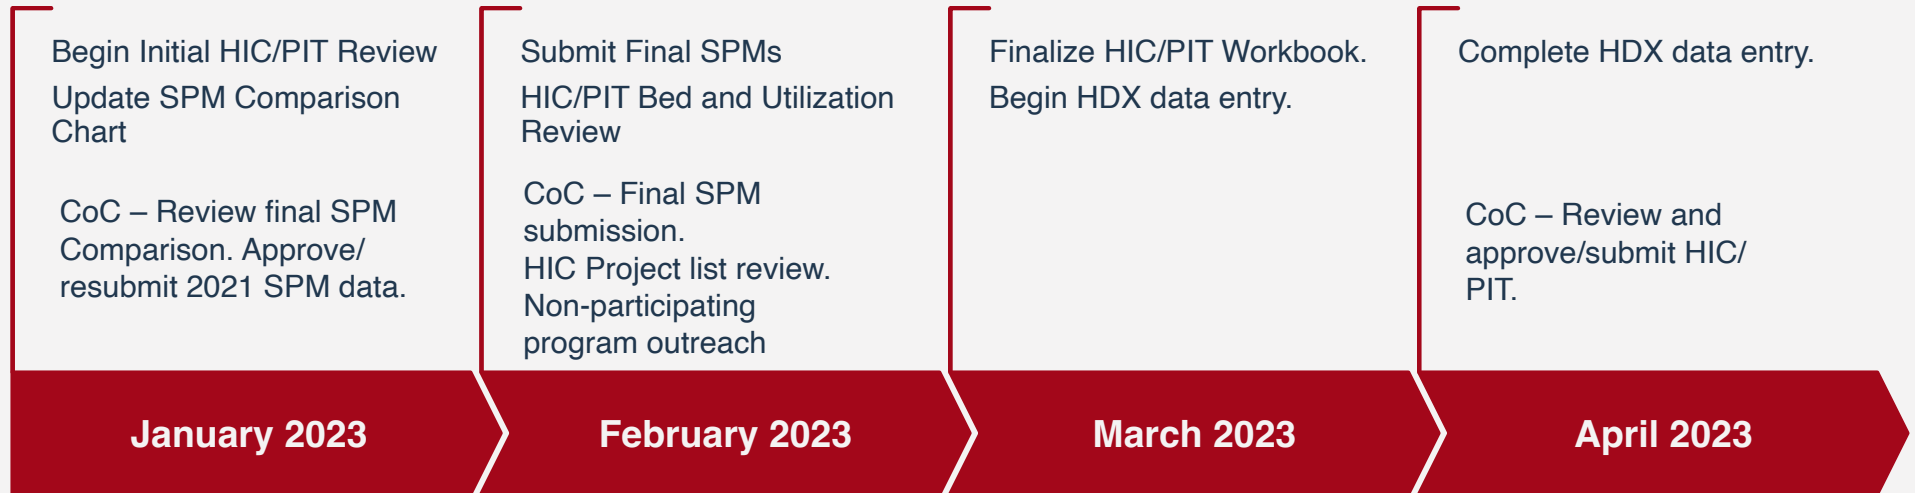

HDX Roles

HDX 1.0 – SPMs and HIC/PIT

Roles:

- Access
- Data Entry (HIC, Sheltered PIT, Unsheltered PIT)
- Submit Rights (for each report)

Timeline

What to Expect

- Regularly scheduled check-ins to review HIC/PIT – what works?
- Data to review and approve before submission – HIC/PIT project list, geocodes, funding sources
- Periodic CoC level questions, such as:
 - Info about geocode, address, and/or fund sources
 - Details for any under development projects for HIC
- Targeted agency outreach – copied on emails as desired
