We currently have an outreach contract but we were awarded for the full year (2023), do we need to apply for these funds to endure we continue our outreach program?

Culturally specific and population specific outreach contracts will be re-procured along with our systemwide re-procurement process which will begin later in 2023 for new contracts to begin in 2024. Please stay tuned for more information about the upcoming systemwide re-procurement process.

We currently hold a youth outreach contact; do we need to apply for this RFP to maintain our funding?

Any organization who meets the RFP requirements are welcome to apply, however, population and culturally specific contracts will remain as-is in 2023 until the systemwide re-procurement process which will occur later in 2023 for new contracts to begin in 2024. Existing organizations whose 2023 funding will be impacted, have been notified.
