

Restructuring Refresher

Current State

Service Provider Organization

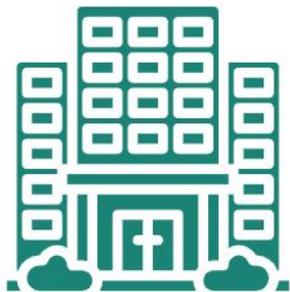

Network of Homeless Services

System to System Connections

Ideal System State

Every service provider is able to adequately hire and retain trained staff that can carry out best practices when serving clients.

All service providers are coordinated through data, every sub-region has services, and all disproportionately impacted sub-populations are served.

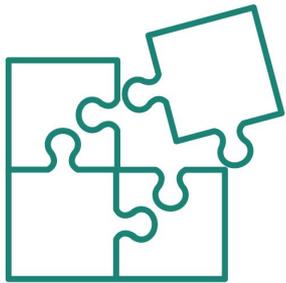

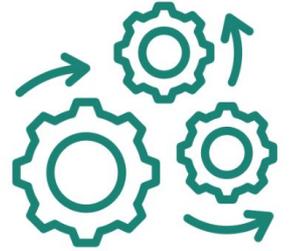

No missed opportunities to intercept someone before becoming homeless.

Supportive transitions.

How We Do it

Key Programmatic Initiatives

Funding Strategy Shift

Programmatic Key Initiatives

Key Initiatives are prioritized and grouped into tables by

- Year 1
- Years 2-5

Recommended Revisions

A topographic map with contour lines and place names like 'ALKI', 'DOWELL', 'YASHON', 'LAKE', and 'COMMUNITY' is visible in the background of the top section.

Recommended Revision #1

New Goal / New Key Programmatic Initiative

Add an 8th goal focused on what the community can do to help.

- **NOTE:** Strategies and Initiatives within this goal area are under-development.
- **Sponsoring Stakeholder:** KCRHA Staff, Community Partner, City Partner, Board Member

Recommended Revision #62

New Initiative in Goal 7, Strategy 3

("The Region Acts As One" Key Programmatic Initiative)

Context:

Goal 7: The Region Acts as One to Address Homelessness

Strategy 7.3: Develop Coordinated Sub-Regional Implementation Plans

Informed by the Unique Characteristics of Communities Across King County

Recommended Revision:

Within Strategy 3: Add initiative related to analyzing UUHP dataset with a sub-regional lens to better understand sub-regional differences in services access.

Sponsoring Stakeholder: City Partners

Recommended Revision #64

New Initiative in Goal 7, Strategy 3

("The Region Acts As One" Key Programmatic Initiative)

Context:

Goal 7: The Region Acts as One to Address Homelessness

Strategy 7.3: Develop Coordinated Sub-Regional Implementation Plans

Informed by the Unique Characteristics of Communities Across King County

Recommended Revision:

Within Strategy 3: Remove the Public Interest Committee as the body to affirm sub-regional plans and remove corresponding metric.

Sponsoring Stakeholders: City Partners, Elected Officials

Recommended Revision #67

New Initiative in Goal 7, Strategy 3

("The Region Acts As One" Key Programmatic Initiative)

Context:

Goal 7: The Region Acts as One to Address Homelessness

Strategy 7.3: Develop Coordinated Sub-Regional Implementation Plans

Informed by the Unique Characteristics of Communities Across King County

Recommended Revision:

Within Strategy 3: Add initiative to "support regional infrastructure development of homelessness services while working to appropriately maintain the level of service as appropriate to each sub-region."

Sponsoring Stakeholders:

City Partners, People with Lived Experience, Provider Leadership

Recommended Revision #71

New Initiative in Goal 7, Strategy 2

("The Region Acts As One" Key Programmatic Initiative)

Context:

Goal 7: The Region Acts as One to Address Homelessness

Strategy 7.2: Coordinated Entry serves as the Foundational Pathway for Temporary and Permanent Housing Connections

Recommended Revision:

Within Strategy 2: Add initiative "To review Regional Access Point design to support improvements for client experience and overall access to housing."

Sponsoring Stakeholders: KCRHA Staff, Provider Leadership

Recommended Revision #72

New Initiative in Goal 7, Strategy 2

("The Region Acts As One" Key Programmatic Initiative)

Context:

Goal 7: The Region Acts as One to Address Homelessness

Strategy 7.2: Coordinated Entry serves as the Foundational Pathway for Temporary and Permanent Housing Connections

Recommended Revision:

Within Strategy 2: Add initiative "To support the Advisory Committee in their role advising the functions of Coordinated Entry."

Sponsoring Stakeholders: King County, Provider Leadership

Recommended Revision #74

New Initiative: New Goal / New Key Programmatic Initiative

Context:

Goal 8, pending approval: What the Community can do to Help.

Recommended Revision:

Add initiative: Faith-based partnerships: Partner around accompaniment training, potentially tapping into spaces to support non-congregate shelter options (THVs, sanctioned encampments, safe parking), and other supportive services.

Sponsoring Stakeholders: Board / Committee Member

Recommended Revision #75

New Initiative: New Goal / New Key Programmatic Initiative

Context:

Goal 8, pending approval: What the Community can do to Help.

Recommended Revision:

Add initiative: Engage media and the art industry to shift public narratives around homelessness

Sponsoring Stakeholders: Community Partner, City Partner
