

Seattle Cold Weather Shelters

February 21 – March 9, 2023

Housing is the solution to homelessness.

Extra shelter space during extreme weather helps meet the immediate need for warmth but does not solve the root cause.

Families with Children: Call the Family Shelter Intake Line at (206) 245-1026 to be connected with a shelter bed and a ride to that location.

Activation Extension: Severe Weather Response Protocols have been extended until Thursday, March 9. Please note that the Exhibition Hall shelter will close on March 1, and City Hall will open on March 1 and be available through March 9.

Overnight Shelters

The shelter at Exhibition Hall at Seattle Center is now closed for this activation. The shelter at City Hall will open beginning the night of Wednesday, March 1.
