2023 Notice of Funding Availability (NOFA)

Recreational Vehicle Storage Services RFP

June 9, 2023

I. Overview

The King County Regional Homelessness Authority (KCRHA) is pleased to announce a Notice of Funding Availability (NOFA) for **Recreational Vehicle (RVs) Storage Services**. As a result, KCRHA seeks to collaborate with organizations that address the needs of people who live unsheltered. KCRHA invites qualified service providers to partner in providing housing solutions with RV storage for people experiencing chronic or brief periods of homelessness and reside in recreational vehicles. Up to \$2 million dollars in new one-time funds for 2023 and 2024 will be contracted through an upcoming Request for Proposals (RFP).

In accordance with KCRHA’s [Theory of Change](#), the **RV Storage Services** RFP is intended to streamline services and extend the Seattle/King County continuum of comprehensive, person-centered housing solutions. The KCRHA expects to make multiple awards to organizations that will:

- Practice harm reduction strategies;
- Offers a well-designed and secure RV storage program;
- Demonstrates a comprehensive approach to housing support;
- Engage with residents living in RVs, while connecting them to more permanent housing solutions;
- Has a strong expertise in delivering direct client assistance and housing programs; and
- Meet data and reporting requirements within the Homeless Management Information System (HMIS).

Successful proposals for the RFP will have an executed Master Service Agreement with KCRHA and can demonstrate the ability to provide comprehensive outreach services.
