2023 Geographic-Based Outreach Services RFP

RFP Issued: February 24, 2023

RFP Awards Approved: May 31, 2023

Summary of RFP Goals

Guided by RHA’s [Theory of Change](#), the Geographic-Based Outreach RFP to create an outreach system that is more responsive to the needs of individuals and families by creating streamlined outreach services that work together to move people into housing. The resulting system will seek to ensure all people living unsheltered or in places not meant for human habitation receive assistance and connections to resources based upon their needs.
