

Continuum of Care Meeting Agenda

Theory of Change

If we create a homelessness response system that centers the voices of people with lived experience of homelessness, then we will be able to focus on responding to needs and eliminating inequities, in order to end homelessness.

Context

The Seattle King County Continuum of Care Board (referred to as the Advisory Committee in the Interlocal Agreement) serves as our region's CoC Board and carries out mandatory functions required by HUD regulations. The CoC Board plays an important role in ensuring that King County receives federal funding. Under HUD regulations, the full CoC membership has authority over the continuum's work and the CoC Board.
