### Award Announcement

### 2023 Non-Congregate Shelter Response RFP

**RFP Issued:** May 24, 2023

#### Summary of RFP Goals

Guided by RHA's [Theory of Change](#), the 2023 Non-Congregate Shelter Response RFP is intended to extend the Seattle-King County continuum of comprehensive, person-centered housing solutions. The KCRHA expects to award funds for organizations that will:

- Preserve life and health, and prevent the spread of COVID-19 and other communicable diseases;
- Help people experiencing unsheltered homelessness in the city of Seattle to quickly find safe alternatives to the streets and encampments through an investment in non-congregate shelter dwellings that focus on rapid exits to permanent housing; and
- Promote system transformation to rapidly exit individuals and couples from non-congregate shelters to permanent housing.
