

KCRHA
King County Regional Homelessness Authority

Join us!

We are seeking those with lived experience of homelessness to improve the homeless response data system.

About

The System Performance Committee provides oversight and administration of the Homeless Management Information System (HMIS) for the Continuum of Care (CoC).

We are building a system that uses data in a way that is:

- Whole Person Centered
- Accountable and Transparent
- Asks Hard Questions
- Drives Excellence

Theory of Change

If we create a homelessness response system that centers the voices of people with lived experience of homelessness, then we will be able to focus on responding to needs and eliminating inequities, in order to end homelessness.

Who should apply?

We are seeking applicants who are committed to ending homelessness and encourage people with any interest or experience with data collection and analysis, BIPOC and LGBTQIA2+ community members to apply.

Applications are reviewed on a rolling basis, and approval is granted by the CoC Advisory Board. (Stipend for participation may be available). Committee requirements include 4-6 hours per month to attend the committee meeting, in addition to reviewing and responding to materials, and ad hoc committee work as needed.

Scan this QR code with your smartphone camera to be directed to the Questionnaire to apply. Or visit bit.ly/SPC-application on a web browser. Paper copies can be requested by contacting Janelle Rothfolk at janelle.rothfolk@kcrha.org or 425-457-2349.
