Land Acknowledgement & Theory of Change: Alex Pfiffner & Beth Lazar

- **Land Acknowledgement:** I would like to acknowledge that we are on the traditional land of the first people of Seattle, the Duwamish People past and present and honor with gratitude the land itself and the Duwamish Tribe. We make this acknowledgment to remind ourselves that, by being here today, we strive to remedy this injustice through our beliefs and actions in helping to steward our green spaces and communities in Seattle.
- **Theory of Change:** If we create a homelessness response system that centers people who have lived experience of homelessness, then we will be able to meet needs and eliminate inequities, in order to end homelessness for all.
