

Coordinated Entry Committee

Theory of Change

If we create a homelessness response system that centers the voices of people with lived experience of homelessness, then we can focus on responding to needs and eliminating inequities, to end homelessness.

Context

The Coordinated Entry Committee (CEC), as outlined in the King County Continuum of Care (CoC) Charter, oversees policies and procedures related to Coordinated Entry within King County. We identify, review, and approve policies and procedures guiding the operation of the Coordinated Entry System (CES), with the implementation managed by King County Regional Homeless Authority staff.
