Where can I find the Information Session recording and slide deck?

The recording will be posted to [KCRHA's YouTube Channel](#) by the end of the week.

The slide deck can be found via this link [Information Session Slide Deck](#).

Is there a required staffing model?

The staffing model is to be developed by the awarded agency with the requirement that the contractor will provide two 24/7 front desk personnel (staffing could vary if building size requires more or fewer staff onsite) to monitor the property, assist tenants, and notify supportive services of issues which may arise.
