I. Introduction

The 2024 Property Management Request for Quotations (RFQ) is seeking applications from qualified agencies interested in providing property management services for supportive housing programs that serve people exiting homelessness.

This funding opportunity is open to proposals from for-profit, non-profit, and faith-based organizations throughout King County. The intent of the 2024 Property Management RFQ is to identify up to three (3) agencies to provide property management services, beginning January 1, 2025, for, at minimum, one (1) property with a total of 20-60 units and up to, at maximum, three (3) properties with a total of 20-60 units per building (60-180 total units). The sites are located in North and Central Seattle. **KCRHA expects to award contracts to at minimum one (1) and up to three (3) agencies in total.**

If future sites are developed and funding becomes available in 2025, KCRHA may use the results of this procurement to identify agencies to provide additional property management.

Centered in [KCRHA's Theory of Change](#), all proposals will be reviewed to ensure completeness, alignment with the project scope, and budget feasibility. The rating team will recommend proposals to be funded, giving preference to proposals that will:

- Manage day-to-day operations of the property including security and facility management.
- Oversee physical aspects of the building including setup, maintenance and urgent repairs.
- Handle initial setup of units (including lease signing, utility enrollment, obtaining renter's insurance, etc.) and unit turns.
- Coordinate with local jurisdictions and service providers to ensure compliance with local laws and regulations.
- Advance equity for Black, Indigenous, and other people of color as well as individuals who identify as LGBTQ+ and individuals with disabilities.

II. Background

The property management services procured through this process will be for properties that are utilized for supportive housing for people exiting homelessness that are a part of the Washington State Rights of Way (ROW) Initiative.

King County is one (1) of five (5) counties across the state selected to receive funds to resolve homelessness encampments on state-owned property as part of the ROW Initiative. A substantial impediment to the resolution of encampments is the availability of supportive housing to offer to encampment residents. To address this shortage, KCRHA has master-leased apartments and contracted with homelessness services agencies to provide supportive services, including case management and behavioral health supports, to the former encampment residents placed into the master-leased units. This approach has made it possible to quickly create permanent housing that matches the service needs of people who have experienced homelessness, frequently chronic homelessness. This RFQ secures the property management support needed to maintain and manage the master-leased apartments.

This approach to resolving encampments aligns with KCRHA's goals of creating a unified, streamlined, and coordinated system that is built on equity and social justice principles. This process will center the voices of those most affected, as articulated in [KCRHA's Theory of Change](#). To find out more about the ROW Initiative, visit the [Washington State Department of Commerce ROW Initiative webpage](#). IV. Funding

KCRHA will use State of Washington General Funds, as appropriated in Engrossed Senate Substitute Bill 5187, Section 129(36), to support the projects awarded through this RFQ.

KCRHA plans to award a total (i.e., across all three planned locations) of no more than \$1,800,000 annually for property management services. The budget is estimated based on anticipated additional tenant needs, KCRHA's requirements for property management responsibilities, and characteristics of the sites.

Payment for all services provided in accordance with the provisions under this RFQ shall be contingent upon the availability of funds. KCRHA shall not be required to provide any definite units of service, nor does KCRHA guarantee any minimum amount of funding for the services described in this RFQ.

V. Eligibility Requirements

Applicants must adhere to the RFQ requirements below to be eligible for consideration through the 2024 Property Management RFQ.

1. Agencies are required to meet the Minimum Eligibility Requirements found on [KCRHA's website](#).
2. Agencies are expected to adhere to current, appropriate COVID-19 safety guidelines and protocols as outlined by [Seattle King County Public Health](#), to prevent the spread of COVID-19. These protocols may include social distancing, wearing masks, hand washing, and sanitizing surfaces.
3. For non-profit applicants only: Unique Entity ID (UEI) and [Federal System for Award Management](#) (SAM) registration in good standing.
4. Minimum of two years' experience providing property management services (as described in Section VI below) at a facility that serves people experiencing homelessness, such as a shelter or supportive housing facility.

VI. Project Scope

Successful applications will demonstrate the capability of providing quality property management services effectively and efficiently. Successful applicants will be responsible for implementing and managing the requirements listed below. Applications should describe the projected cost to provide the following services for one to three (1-3) full buildings of between 20 and 60 units each (building size could vary or exceed these ranges). KCRHA intends to obtain services for at least three buildings with a total budget for services across all locations and awardees not exceeding \$1.8 million.

1. Overview of Properties and PSH Program
 - Property management services on KCRHA's behalf for one to three (1-3) buildings serving an estimated 20-60 single adults per building who are exiting homelessness, frequently having experienced chronic homelessness and who have disabling conditions or substance use disorder.
 - Sites are located in North and Central Seattle, WA.
2. Summary of Project Requirements
 - Manage day-to-day operations of the property, including security, maintenance, and facility management.

- The contractor will provide two 24/7 front desk personnel (staffing could vary if building size requires more or fewer staff onsite) to monitor the property, assist tenants, and notify supportive services of issues which may arise.
 - All onsite staff have training in safety, de-escalation, and similar training for working with high need populations that require trauma-informed approaches.
 - Oversee all physical aspects of the building, including initial setup, preventive maintenance and urgent repairs (including damage to units or common areas caused by tenants).
 - This includes routine common area cleaning, ground maintenance, minor repairs (e.g., damaged doors or walls), general maintenance such as sinks, toilets, showers, light bulbs, etc. The contractor will also be responsible for working with the property owner to address maintenance and repairs of appliances, building systems (e.g., elevator, sprinkler, fire monitoring, roof, pipes, foundation), and outside maintenance, as needed.
 - Handle initial setup of units and unit turns, including, but not limited to, development and execution of a lease for all tenants, discussion of resident code of behavior/house rules, obtaining renter's insurance, setup of utility accounts, calculation and collection of rent owed (if applicable), and inspection of units at move-in and move-out.
 - Coordinate with local jurisdictions and service providers to ensure compliance with local laws and regulations.
 - Maintain client files and hold sub-leases on behalf of KCRHA.
 - The contractor will be responsible for the issuance of notices to tenants and will be responsible for any unlawful detainer actions that occur.
 - Implement and maintain security protocols to ensure the safety of residents and staff.
 - Maintain crisis management and de-escalation staff during specified hours.
3. Provider Profile and Requirements
- For-profit entity, non-profit organization, government agency, public housing agencies, or a faith-based organization;
 - Grantees are responsible for maintaining clear and accurate project records;
 - Any staff with regular interaction with residents must have de-escalation training and other support to ensure trauma-informed and person-centered interactions.
4. Eligible Costs
- Staff
 - Equipment
 - Minor repairs
5. Ineligible Costs
- Acquisition

- Capital repairs
- Rehabilitation
- New construction
- Social/supportive services

VII. Contracting Requirements

1. Any contract resulting from this RFQ will be between KCRHA and the applicant organization.
2. Contracts may be amended to ensure that services and outcomes align with community needs, or changes in availability of funding.
3. Contractors will be required to comply with the Terms and Conditions of the KCRHA Vendor Agreement, the terms of which are nonnegotiable.
4. Contractors will be required to maintain books, records, documents, and other evidence directly related to the performance of the work in accordance with Generally Acceptable Accounting Procedures. KCRHA, or any of its duly authorized representatives, shall have access to such books, records and documents for inspection, audit, and copying for a period of seven (7) years after completion of work.
5. Contractors must complete all required reports and billing documentation as stated in the contract. Reimbursement will be contingent upon receipt and approval of required reports. Additional data may be required for audit or evaluation purposes.
6. Contractors must have the capacity to protect and maintain all confidential information gained by reason of this contract against unauthorized use, access, disclosure, modification, or loss.

VIII. Process & Instructions

i. Selection Process

Agencies must demonstrate the capacity to meet all the program requirements. All interested parties must submit a complete application via [Smartsheet](#) to be considered for funding. Proposals must meet minimum eligibility qualifications. An eligibility screening will verify that: 1) the application is complete including a response to all questions, 2) all minimum eligibility documents have been submitted, and 3) the application is submitted on time.

Agencies must respond expeditiously to any clarifying questions or document requests. Failure to respond in a timely manner may result in agencies being deemed non-responsive. Non-responsive quotations will not be considered.

An internal review panel of subject matter experts will review the applications and score based upon the scoring criteria in section IX subsection iv. Agencies with a score of less than 70 will not be considered eligible.

ii. Application Submittal Instructions

Applications will be rated on the information requested in this RFQ and any clarifying information requested by KCRHA. Answer each section completely. Do not include additional agency cover letters or brochures with your application. Applications that do not follow the required format may not be rated.

Questions related to the RFQ should be directed to the KCRHA Procurement Team at rfp@kcrha.org. Agencies and their representatives must not reach out to any other KCRHA staff about this procurement to ensure a fair process.

Instructions

Agencies are asked to complete an application with their property management qualifications and quotation. The [Smartsheet](#) form will open for submissions on September 19, 2024. Once complete, you may submit your full proposal and attachments through [Smartsheet](#).

Follow all listed instructions in the Smartsheet application. It is advised that applicants gather the required documents and begin writing their responses on a separate document before the Smartsheet form opens. Please email us at RFP@KCRHA.org if you experience any technical difficulties with Smartsheet.

Upload all required documents within the Smartsheet application.

1. Completion of [Smartsheet Application](#)
2. Application response to Questions and Rating Criteria listed in Section iii. Use the editable [2024 Property Management RFQ Application](#) provided.
