2024 Property Management Request for Quotations

Questions & Answers

September 26, 2024

Updated October 3, 2024

When is the last day to submit question regarding the 2024 Property Management Request for Quotations (RFQ) to RFP@KCRHA.org?

October 7, 2024 at 5:00 PM PST

Where can I find the Information Session recording and slide deck?

The recording will be posted to [KCRHA's YouTube Channel](#) by the end of the week.

The slide deck can be found via this link [Information Session Slide Deck](#).

Is there a required staffing model?

The staffing model is to be developed by the awarded agency with the requirement that the contractor will provide two 24/7 front desk personnel (staffing could vary if building size requires more or fewer staff onsite) to monitor the property, assist tenants, and notify supportive services of issues which may arise.

The RFQ clearly says that for-profits and nonprofits can apply, and says that only nonprofits need the SAM/UEI. However, it also says applicants need to meet the eligibility checklist - and that list is designed for non-profits.

This RFQ is open to for-profit entities. Any documents required by the checklist that are for nonprofits only, including SAM/UEI, do not have to be submitted by for-profits. Any documents that do apply for businesses should be submitted.
