I. Introduction

The 2024 South King County (SKC) Outreach Services Request for Proposal (RFP) is seeking applications from qualified agencies interested in providing outreach services in South King County from January 1, 2025 through December 31, 2025. King County has allocated \$150,000 to South King County in American Rescue Plan Act funds to procure outreach services to connect individuals experiencing unsheltered homelessness to resources.

This funding opportunity is open to proposals from non-profit and faith-based organizations throughout King County with preference for agencies already providing services in South King County. The intent of the SKC Outreach Services RFP is to procure outreach services that support comprehensive, person-centered solutions while promoting equity, inclusivity, and better outcomes. **KCRHA expects to award one agency one-time funding of \$150,000.**

Centered in [KCRHA's Theory of Change](#), all proposals will be reviewed to ensure completeness, alignment with the program scope, and budget feasibility. The rating team will recommend proposals to be funded, giving preference to proposals that KCRHA expects to award funds to an agency that is able to:

- Meet KCRHA's Minimum Eligibility Requirements
- Engage in outreach services with people experiencing unsheltered homelessness in South King County;
- Practice harm reduction strategies;
- Engage with clients with person-centered and trauma-informed approaches;
- Meet data and reporting requirements within the Homeless Management Information System (HMIS);
- Ensure compliance with local laws and regulations;
- Advance equity for Black, Indigenous, and other people of color as well as individuals who identify as LGBTQ+ and individuals with disabilities.
