Key Components of the KCRHA Budget

Base Budget

Base budget funds are already committed to existing contracts with providers and are not available for new spending unless an existing contract is reduced. Funding in the base budget is generally assumed to continue from year to year. The KCRHA budget presentation focuses on additional funding provided over and above Base Funding.

One-Time Funding

One-time funds (historically coronavirus relief funds) allocated to the KCRHA to support specific programs across multiple fiscal years, which will expire in 2025.

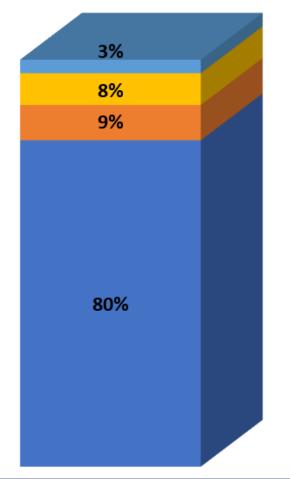

Incremental Changes

Funding for new or enhanced services over and above ongoing funding provided in the Base Budget. Incremental changes funded with ongoing funding will be included in the KCRHA's Base Budget in 2025.

Budget by Program

Homeless Services are programs that serve customers' immediate needs related to homelessness and housing instability, such as congregate and noncongregate shelter, hygiene centers, diversion programs, rapid rehousing programs, safe parking, and transitional housing.

Permanent Supportive Housing (PSH) combines permanent housing with supportive services such as behavioral health services. KCRHA has service contracts with service providers who operate PSH buildings.
