East King County Severe Weather Response Request for Proposals

RFP Issued: December 5, 2024

Summary of RFP Goals

Guided by KCRHA's Theory of Change, the East King County Severe Weather Response RFP is intended to extend the Seattle-King County continuum of comprehensive, person-centered housing solutions. The KCRHA awarded funds to organizations that will:

- Provide technical assistance to agencies in preparing and submitting responsive, compliant applications for procurement opportunities.
- Improve agency understanding of procurement requirements, evaluation criteria, and application expectations.
- Enhance the competitiveness of agencies' applications by ensuring clarity, completeness, and alignment with procurement goals, and
- Advance equity and accessibility for Black, Indigenous, and other people of color (BIPOC) led agencies, individuals who identify as LGBTQ+, and individuals with disabilities.
