The King County Regional Homelessness Authority (KCRHA) is pleased to announce a Notice of Funding Availability (NOFA) for the 2025 Seattle Youth and Young Adult Emergency Shelter Capital Repair Request for Proposals (RFP). The upcoming RFP is intended to fund essential repairs and/or capital improvements for Seattle Emergency Shelters serving Youth and Young Adults. KCRHA expects to award \$1,850,000 in one-time funds to up to four (4) agencies through the upcoming process.

Following KCRHA's [Theory of Change](#), the 2025 Seattle Youth and Young Adult Emergency Shelter Capital Repair RFP is intended to identify an agency to develop and provide a non-congregate shelter and services for people experiencing homelessness. KCRHA expects the program to be person-centered, promote equity, and inclusivity to create better outcomes. KCRHA expects to award funds to organizations that:

- Serve Youth (12-17) and/or Young Adults (18-24) experiencing homelessness
  - **Note: Organizations do not need to exclusively serve youth and young adult populations to qualify.**
- Engage with youth stakeholders in development of proposed project,
- Are able to demonstrate site control,
- Have a firm commitment to provide continued services at the improved property for a minimum of five (5) years after the completion of capital improvements, and
- Are contracted with KCRHA for the provision of homelessness services and is in good standing.
