The King County Regional Homelessness Authority (KCRHA) is pleased to announce a Notice of Funding Availability (NOFA) for the 2025 Seattle Non-Congregate Shelter Request for Proposals (RFP). KCRHA seeks to collaborate with organizations to establish one to two non-congregate low barrier ADA accessible shelter(s) and invites interested agencies to apply. Up to \$5,978,000 will be contracted through an upcoming funding opportunity with \$3,300,000 allocated for the remainder of 2025 and \$2,678,000 for 2026.

Following KCRHA’s [Theory of Change](#), the Seattle Non-Congregate Shelter RFP is intended to identify an agency to develop and provide a non-congregate shelter and services for people experiencing homelessness. KCRHA expects the program to be person-centered, promote equity, and inclusivity to create better outcomes. KCRHA expects to award funds to organizations that will:

- Establish one to two non-congregate low barrier ADA accessible shelter(s),
- Practice harm reduction strategies,
- Provide comprehensive population-specific services that are person-centered, and
- Meet data and reporting requirements within the Homeless Management Information System (HMIS).

Successful proposals for the RFP will demonstrate the ability to provide comprehensive non-congregate shelter services, and agencies must sign a Master Service Agreement (MSA) before receiving funds. If you have any questions, please email RFP@kcrha.org.

Information sessions will likely be hosted on March 7, 2025, 12:00 PM PST and March 12, 2025, 12:00 PM PST. Confirmed dates and links to register will be available when the RFP is posted.
