

# Governing Board Special Meeting

## Theory of Change

If we create a homelessness response system that centers the voices of people with lived experience of homelessness, then we can focus on responding to needs and eliminating inequities, to end homelessness for all.

## Date & Time

April 11, 2025; 1:00 pm – 5:00 pm

## Location

16305 NE 87th St, Redmond WA 98052 – Together Center

## Purpose

The purpose of this half-day retreat for KCRHA board members and CEO is to build relationships and gain shared understanding of board roles and ways to advance regionalism.

## Agenda

- |             |                                                                                                                                                  |
|-------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| 1:00 – 1:30 | <b>Welcome &amp; Opening</b>                                                                                                                     |
| 1:25 – 2:30 | <b>Moving Our Work Together Forward</b>                                                                                                          |
| 2:30 – 2:45 | <i>Break</i>                                                                                                                                     |
| 2:45 – 3:35 | <b>Advancing Regionalism</b> <ul style="list-style-type: none"><li>• <b>Small group discussion</b></li></ul>                                     |
| 3:35 - 3:45 | <i>Break</i>                                                                                                                                     |
| 3:45 – 4:45 | <b>Data Discussion</b><br><i>Dr. Tim Thomas, Chief Research and Data Officer</i><br><i>Janelle Rothfolk, Interim Senior Director of Research</i> |
| 4:45 – 5:00 | <b>Summary &amp; Close</b>                                                                                                                       |
