

## **2025 Land Bank RFI Questions & Answers**

Updated on 6/18/25

*Please note this is an ongoing process and applications are received on a rolling basis.*

### **Do landowners have to partner with service providers to be eligible to receive funding?**

No, you do not need to partner with an agency to be a part of this RFI. KCRHA is just looking for land.

### **Who is driving this process?**

KCRHA gets involved in providing support. Landowners often jump in to lead community engagement, engagement with local public officials, and the permitting process.

### **How does the zoning piece work?**

Each municipality has its own rules, in addition to some state regulations. KCRHA will ensure all of the local municipalities are followed.

### **How does insurance work?**

KCRHA requires the provider to have some liability insurance with a lease agreement.
