

Request for Qualifications Approval Announcement

2025 Quarter One Severe Weather Request for Qualifications

RFQ Released: February 10, 2025

Summary

In order to ensure severe weather services can be activated as quickly as possible, KCRHA utilized the 2025 Quarter One Severe Weather Request for Qualifications (RFQ) to front-load the compliance and financial reviews for future severe weather Request for Proposals (RFPs). No funding was dispersed through this process. Agencies approved through the RFQ process will be able to apply for future severe weather funding opportunities. KCRHA expects to run another Severe Weather RFQ in Quarter 3 of 2025.
