

# Coordinated Entry Committee

## Theory of Change

*If we create a homelessness response system that centers the voices of people with lived experience of homelessness, then we can focus on responding to needs and eliminating inequities, to end homelessness.*

## Context

As outlined in the King County Continuum of Care (CoC) Charter, the Coordinated Entry Committee (CEC) will “oversee policies and procedures related to Coordinated Entry” in King County. The CEC will be responsible for identifying and approving policies and procedures that guide the coordinated entry system (CES) system in King County. King County Regional Homeless Authority staff will be responsible for implementation of those policies and procedures.
