

System Performance Committee

September 2025

Theory of Change

If we create a homelessness response system that centers the voices of people with lived experience of homelessness, then we can focus on responding to needs and eliminating inequities, to end homelessness.

Context

In May 2022, the CoC Advisory Board approved KCRHA as the lead HMIS entity, and the System Performance Committee (SPC) will conduct HMIS Governance oversight on behalf of the board.
